MOTHER & DAUGHTER BANQUET

The annual Mother and Daughter Banquet, sponsored by the Women's Community Guild of the Mattapoisett Congregational Church, was held last Tuesday evening in the parish hall. A delicious home cooked meal was served to more than 200. Pastel frosted cakes complemented by candles and Spring flowers decorated the tables. The cakes, cut and served as dessert, were in observance of the 25th anniversary of the Mother and Daughter Banquets.

The welcome was given by Mrs. Walter Clark, Guild president. Mrs. Frederic E. Reynard gave the invocation. Mrs. George C. Bradley, Jr. served as master of ceremonies. The toast to the Mothers was given by Jane Wordell, to the Daughters by Mrs. Ruth Heath, to the grandmothers by Ann Apperson and to the granddaughters, Mrs. Elizabeth Wood.

Girl Scouts, working for their music appreciation badge, presented a skit in pantomime to a record of Hansel and Gretel. The program was announced by Deborah Yard. In the cast were Joan Ellen Darrah as Hansel, Christine Sharples as Gretel, Beth Roylance as the mother, Rose Hutchings as the father, Sharon Young as the witch, Deborah Yard, Tracy Locke, Betsy Wood and Heather Lenz as the angels, Ruth White as the sandman and Kimberly Lenz, Ragan Lenz, Otto Lenz and Kathy Reynolds as the gingerbread children. The play was direct-

SPORTS NIGHT

On Saturday, May 25, at 7:30 P.M. the Old Rochester Boosters Club will hold their first annual Sports Night at the Old Rochester Regional High School. All athletes who have been participating in the following sports will be invited guests of the club along with their coaches: basketball, baseball, track, tennis, golf, and the girls' tennis team. Each coach will speak briefly about his team. The athletic director, Mr. Richard Norman, will award the school's letter sweater and certificates to those athletes who have earned them. Mr. Alfred Crabtree, secretary of the Boosters Club, will present blazers to seniors who have participated in the athletic program for the past two years. An award will be presented to a student who has brought in the most trading stamps to the club. This award will be in the form of a season ticket for next year's home football and basketball games. An award will also be presented to the athlete who has sold the most tickets to the Sports Night affair. The Mattapoisett Lions Club will award their Lester Texeira Memorial Plaque to the outstanding senior athlete for both the 1962 season and for this year.

The main speakers for this program will be

Sam Jones and Tom Sanders of the Boston Celtics, who were again the champions in professional basketball. These players will bring along films of the Celtics in action. Realizing how successful the First Annual Banquet put on by the Boosters Club was-- I'm sure that this night will be both very interesting and enjoyable. This will be a fine tribute to our athletes of Old Rochester Regional and on the fine job they have done this year. Refreshments will be served at the conclusion of the program. If there are any tickets available they may be purchased from Mr. Alfred Crabtree of Marion, Sippican Shop in Marion, Tinkham's Drug Store, Mattapoisett and Ernest Dorr of Mattapoisett.

LEGION AUXILIARY MEETING

Memorial Day plans were made and committees named at the May meeting of the Florence Eastman Post American Legion Auxiliary meeting.

Selling poppies during the exercises will be Carolyn Marcellino, Elizabeth Fay, Frances Nunes, Vivian Middleton and Isabel Monteiro.

Refreshment committee is comprised of Ada Furtado, Mary Sylvia, Deolinda Oliveira and Vivian Middleton who is in charge of cookies and tonic.

The annual Auxiliary square dance is to be the first of the summer season on June 29th with Ed Viera of Fairhaven as the caller. Plans

NU WAY CLEANERS

AROUND THE WORLD IN 90 MINUTES

In another step from the art of space flight to the science of space flight has been blazed by U. S. astronaut Gordon Cooper. This open demonstration by the United States team of a superb flight is another contrast for the world to ponder. Cooper said that the flight was "routine". He said that he had the greatest confidence in the program and never was unduly concerned about his safety. This is a result of finely honed skill and technology in a new science. Every American can be proud of the method used in our manned space program just as we are proud of the cool men it has to man the capsules. Sixty years ago, a machine driven by a six bladed propeller carried Wilbur Wright 852 feet in 59 seconds. In this short time of 60 years, manned flight has advanced to the point that Gordon Cooper coasted around the world 22 times in 34 hours, 20 minutes and 30 seconds for a total of almost 600,000 miles. The Wright flight was the infancy of aviation based on the flight experiments of Professor Langley who flew a 16-foot unmanned airplane equipped with a

steam engine for a minute and a half on May 6, 1896. The Cooper flight is the infancy of space flight based on the knowledge gained by out other astronauts. If this science develops as did the airplane, it is going to be an amazing 60 years ahead. It is good to know that the United States can demonstrate its skill and progress in the open. On the other side, only their "windowdressers" know for sure.

PTC ELECTS OFFICERS

At a recent meeting of the Mattapoisett Parent-Teachers Club at the Center School the following officers were elected for the 1963-1964 year: Charles B. Dunn, president; Paul R. Mullaney, first vice-president; Joseph A. Kobak, Jr., second vice-president; Mrs. Roland N. Charest, recording secretary; Barney Helfand, treasurer; Mrs. Richard H. Nor-

FIREWORKS AND PARADE NEWS

With the May 17th deadline for the Fireworks Fund now passed, Fairhaven Firefighters Association is confident that next week's announcement will read "The goal has been reached." Returns are still drifting in at this writing. Now that this hurdle has been overcome, efforts are being concentrated on the parade.

Applications have been mailed to local organizations but the response, up till now, has been slow. This may be due to the fact that funds are not available to help defray expenses of these potential participants.

Again, local and area merchants have come through, this time with donations for trophies

in each category listed on the applications.

There will be prizes for individual participants, such as, decorated bicycles, doll carriages, or even a husband in a wheelbarrow being pushed by his wife (P.S. it's a long route).

The Association would like to impress that this is a patriotic day and all individuals and organizations are cordially invited to join and make it a fitting climax to the celebration.

Information and applications are available at Fire Headquarters, 91 Washington Street, Fairhaven.

LIBRARY HAYING COMPLETED

The crop of hay which has surrounded the Mattapoisett Library has been gathered. The monument on the grounds is now clearly visible. It appeared, for a time, that the Memorial Day officials might have to cut their way through with a wreath in one hand and a sickle in the other. Mattapoisett Selectmen awarded the contract last week after it had been tied up because of the Conflict of Interest Law.

TAX RATE LOWER THAN EXPECTED

Mattapoisett Assessors announce that the tax rate for the town has been set at $89 per thousand. Chairman Enoch LeBaron Winslow said that the reason that the tax rate has been kept this low is because of the large amount of new building in the town during this past year. This is a $2.50 increase over the previous rate.

MEMORIES

Memorial Day is a rather special day. A day to remember. Memories are private treasures stored in the minds of individuals. So, Memorial Day is both public and private in its deep significance both collectively and individually. In both, however, the motivation is honor. This day is our link between the

present and the past. What we are today, we owe to our past. As a group, gathered at ceremonies, we honor our heroic dead. All men and women who laid down their lives for their nation are the focus of our words and thoughts. Within this great multitude, there are names and faces that are familiar to each individual. There are men known by their historic deeds, there are relatives known through life; there are friends known through comradship. Each individual in every public ceremony has a private retreat in which these people live again and touch our lives once more. These people, unlocked from memory, need not have died in battle. Most of our heros never made history. People who gave direction, taught character, were models for adulthood; friends who shared good and bad times with loyalty and trust; these are heros too. Every person in the sum of his heritage and his experiences and the people who contributed to this sum live on through us. Within the crowd, deep in the minds of each person there will be people who live again as they fill our thoughts just as they help to fill our lives.

KEEP IT SHINING

Chromium parts on your automobile will develop rust spots if the bare steel has been exposed by scratches in the chrome finish.

Protect the chromium by regularly applying a wax film or oil to it, suggests the ALA.
